Student

✉ aritradas.kanungo2023@vitstudent.ac.in ☎ +91 95471 26253 📍 VELLORE, TAMIL NADU

## PROFILE

As a curious and driven Biotechnology student currently in my Pre-final year at VIT with a strong academic record (CGPA: 8.17), skilled in quality control microbiology, GLP compliance, and pharmaceutical testing from hands-on internship experience at Alkem Laboratories Ltd. Currently serving as Co-Secretary at Dream Merchants VIT, with proven leadership in organizing biotechnology events. Passionate about integrating traditional biological research with computational and web technologies. Proficient in Python, Java, and bioinformatics tools, with practical lab skills and an eagerness to contribute to innovative pharmaceutical R&D and healthcare solutions.

## EDUCATION

<b>B.Tech (Biotechnology) – 3rd Year</b> Vellore Institute of Technology CGPA - 8.17	2023 – present Vellore, India
<b>Higher Secondary (12th)</b> North Point Senior Secondary Boarding School, Rajarhat Branch Percentage-76.6%	2021 Kolkata, India
<b>Secondary (10th)</b> Nalanda Academy Percentage-83.2%	2019 Kota, India

## PROFESSIONAL EXPERIENCE

<b>Industrial Internship</b> ⓘ I completed a Quality Control Microbiology internship at Alkem Laboratories, where I gained hands-on experience in Good Laboratory Practices and practical techniques such as media and broth preparation, autoclaving, pH handling, and microbial assays including GPT, MLT, and water analysis, ensuring compliance with pharmacopeial standards.	05/2025 – 06/2025 Sikkim, India
---	------------------------------------

## CERTIFICATES

- Cent Percent Attendance ⓘ

## EXTRACURRICULAR ACTIVITIES & LEADERSHIP ROLES:

<b>Dream Merchants VIT</b> Co-Secretary	05/2025 – present Vellore, India
<b>11th EDITION OF VIT BIOSUMMIT</b> ⓘ Student Coordinator	10/2024 Vellore, India
<b>graVITas'24 and Riviera'25</b> ⓘ Events Volunteer	09/2024 Vellore, India

## INTERESTS

**Web Development** ⓘ — Passionate about building responsive and interactive web applications. | **Exploring Biotech Frontiers** — Exploring and developing cutting-edge biotech solutions to shape the future of healthcare | **Event Hosting** — Skilled in organizing and hosting engaging events.
